

Alumet Ltd is committed to serving its customers and meeting their needs and expectations in the design, project management, manufacture and installation of bespoke Aluminium doors, windows and facades using reliable and innovative technologies, products, modern management, construction and material techniques.

The company is committed to the continual improvement of its product and services to achieve increased customer satisfaction as well as to ensure compliance to current legislation and regulatory standards and with the requirements of the Quality Management System (QMS) BS: EN ISO 9001-2015 and its continual improvement. Our goal is to meet our customer's expectations and any applicable requirements by delivering a high-quality service.

Alumet will set Quality objectives which will include focus on customer needs and changes and developments in the industries regulations and requirements. These will be measurable where possible and shall be reviewed on a regular basis. Objectives will assist with the company's continual improvement and in meeting our own and our customers' expectations

Alumet Limited will comply with our Quality Policy by:

- Ensuring management focus on continual and consistent quality.
- Continual improvement of our Quality Management System.
- Motivation of our workforce and encouragement to take control of their work.
- Understanding our customer's requirements and embracing them.
- Providing on- going training where required to enhance our employee's technical expertise and knowledge.
- Promote the quality culture whenever possible.
- Establishing mutually beneficial relationships with our supply chain.
- Identifying and solving problems to avoid compromising the quality of our product.
- Ensuring product specifications and manufacturing requirements are clearly defined and adhered to.
